Drive a Senior™

POST-MERGER IMPACT REPORT

August 1, 2025 - July 31, 2026

STRONGER TOGETHER. ONE MISSION.

Enabling older adults to live independently, avoid social isolation, and age in place by providing transportation and other support services.

A Message from Our Executive Director

This past year marked an exciting new chapter for Drive a Senior as three organizations came together with one shared mission: helping older adults live independently, stay connected, and thrive in the communities they call home.

While our organization may have changed, the heart of our work has not. Every day, our volunteers and team provide more than a ride. They offer connection, companionship, and the support our clients need to continue getting to the places and people that matter most. As the number of older adults in Central Texas continues to grow, we are committed to growing with them and being there when they need us.

We are incredibly grateful to the volunteers, donors, partners, and friends who make this work possible. Thank you for being part of our journey.

MORE THAN A RIDE

Over half of our clients live alone.

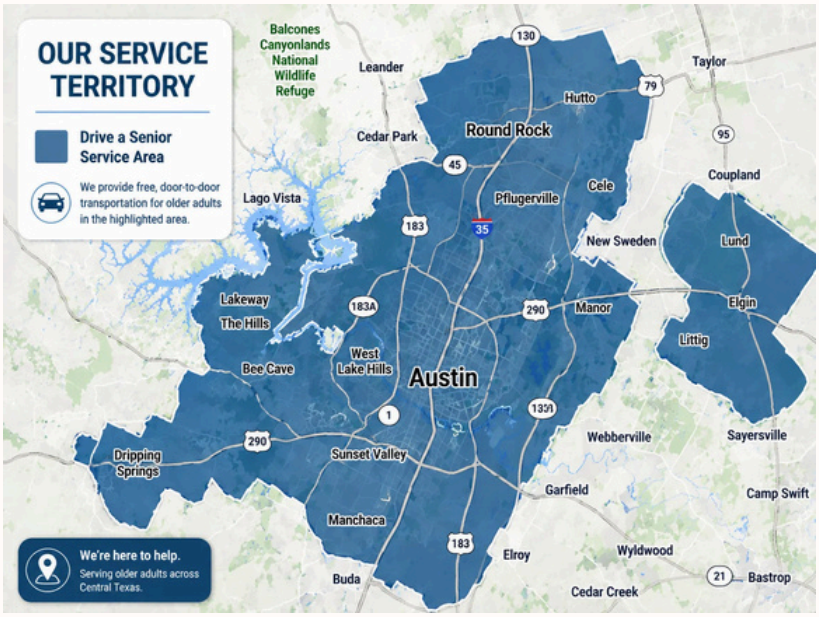

For those facing isolation, socialization and meaningful connection are especially important. Beyong essential transportation, Drive a Senior fosters these connections through weekly group rides, social events, Games Day and friendly calls.

STRONGER TOGETHER. MOVING FORWARD.

On August 1, 2025, Chariot, Senior Access, and Drive a Senior ATX came together as one organization, united by a shared mission: helping older adults remain independent, connected, and able to age in place. Together as Drive a Senior, we are building on decades of experience, dedicated volunteers, and strong community partnerships to serve older adults across Central Texas.
